

PRAIA DO SOL

Direction - The Resort is only 270km from the Komatipoort Border post.

Do not speed, travel at the indicated speed, at all times. Small towns are policed on a regular basis. Wear a seat belt at all times, front and back seats. It is not uncommon to be stopped at one of the many police checkpoints or just anywhere. Be patient and polite. You have nothing to worry about, if you have not broken the law. When pulling off the road, use your indicators. When stopped, put on your hazards. When turning back onto the road, indicate. After you have proceeded through the border, you will be travelling on a toll road. After **45Km's** you will come to the **first toll gate**, pay Mt95.00 or about R30.00.
